REMEMBRANCE DAY

Shopper-Aide have been very lucky in getting sponsors from different sources for our Virtual Teas and this allows us to employ local businesses to provide the goodies which are very much appreciated.

Other News and Views

As Christmas approaches we have been preparing our windows to capture the spirit and the first one is a display of crafts and items we have for sale.

All items are £10 and include knitted Alpacas with each one different and there are a choice of names which begin with 'A'.

We also have Fairy Doors, boxed Lorries and trinket boxes.

Our Christmas Raffle with some magnificent prizes – a Hamper of Christmas Goodies, Springbank Whisky, Wines and other drinks, Vouchers from different outlets, toiletries and many more prizes. Tickets are £1 each. The Draw will take place on 4th December so let us know if you would like any tickets or knock on the shop door when passing.

You can also buy/order calendars from us. The Glencraigs Farm Flowers is £10 with profits going to Shopper-Aide.

Keeping Connected and Occupied

Many of you have been using our 'Library' service of books, Jigsaws, knitting, arts and crafts and we have new ones coming in all the time so just let us know what you are looking for.

Just one of the jigsaws someone has done although they are not all as complicated. Ideas are welcome – suggestions to phone buddies or call the office – 01586 551600.

However, we now have a supply of memory books you can make up so let us know if you would like to try this.

Would you like your Phone Buddie to read news from the Courier or Advertiser if you have difficulty reading newsprint – let us or your Buddie know.

Other Information and reminders

Will you be using Amazon to buy Christmas presents – if so then if you do it via Amazon Smile you can register with Shopper-Aide on it and we will receive a donation to us? Every little helps.

Remember if you need shopping, housekeeping or would like a Phone Buddie you can contact us on the number below.

Just a reminder that many of these odd phone calls are not genuine and if you are not sure just put the phone down.

DO NOT GIVE MONEY OR BANK DETAILS TO ANYONE.
